

Victoria Scale Modellers

The Rocky Mountain Model Club of Calgary would like to thank you for the support you have shown in previous years by sponsoring the “Victoria Scale Modellers Choice” award.

The 2009 show was a great success! With almost 600 models on the tables, we certainly had lots for the public and participants to enjoy. In cooperation with the Nanton Lancaster Society, our 15th show was held at their museum during the “Planes, Trains and Elevators” event. This provided visitors with the opportunity to see the engines running on several aircraft, a collection of military vehicles and classic cars, tour the local grain elevator, and also to visit a Garden Scale model train layout. Once again an increased number of out of town visitors were participating from all across western Canada. Our hobby was also introduced to a large number of general public who would otherwise not know about scale models. This was largely due in part to the contest promotion, which most certainly includes the support from sponsors like you.

The 2010 Western Canadian Regional Model Contest will once again be hosted by the RMMC and the Nanton Lancaster Society. Mark your calendar for **May 29th, 2010** as you will want to attend this show.

At this time I would like to invite you to become a sponsor of the Western Canadian Regional Model Contest. Sponsorship has been revised slightly this year. As with previous years we are glad to accept merchandise for raffle prizes, sponsoring a “Special Award”, or perhaps you would like to be recognized by sponsoring one of our many categories. As you can see, support for the contest can come in a form that best fits your particular wishes. The Special Awards will cost \$50.00 this year. The Category Sponsorships will cost \$100.00 and accordingly your company will receive a table marker that has your name or logo identified. Entrants in the category will see your participation as will all the other attendees as they wander around the tables.

The contest has its own website, accessible via our club website. On it you can find additional information about the show, entry forms and Contest Category’s ready for your perusal. All of our sponsors are listed there giving them further exposure in the public eye.

Additional information may be obtained by contacting us via email:

The Rocky Mountain Model Club’s Contest Committee would like to thank you for your continued support and we look forward to hearing from you soon.

Yours truly,

Scott McTavish
Contest Coordinator
